### **Description**

House File 2152 eliminates the repeal of a \$100,000 death benefit for emergency services providers not covered by the Public Safety Peace Officers' Retirement, Accident, and Disability System, the Iowa Public Employees' Retirement System (IPERS), or the Municipal Fire and Police Retirement System of Iowa, who die in the line of duty.

### **Assumptions**

- The number of deaths that will occur is unknown.
- During calendar years 1994 through 2000, a total of four Iowa volunteer fire fighters died in the line of duty.

### **Fiscal Impact**

The fiscal impact of HF 5152 cannot be determined since the number of future deaths cannot be determined.

Each death of an emergency services provider, not covered by the Public Safety Peace Officers' Retirement, Accident, and Disability System, the Iowa Public Employees' Retirement System (IPERS), or the Municipal Fire and Police Retirement System of Iowa, in the line of duty, beginning July 1, 2002, would result in a \$100,000 impact to the General Fund.
